

Are you lost in the bus!!!

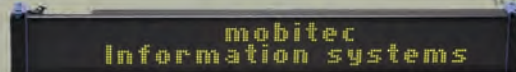

All might agree that the equipment in the busses will not be less advanced in the future.

As a new initiative, Mekasign will now offer one day technique courses.

Course content:

- Mobictec signs
- Sign addresses.
- Drivkort types
- Mobictec wiring
- Special signs
- ICU 400 / test functions
- ICU 600 / test functions
- SE Series / test functions
